

For the news letter-

We had a lovely weekend in E. Windsor, CT for Central New England Brittany Club's annual spring trial. After a slight delay Saturday morning due to fog, the weather turned out beautiful. Not too cold, not too hot, a slight breeze and SUN! I'd almost forgotten what that looked like. We ran two courses and while a little muddy from rain Friday, the grounds looked great and the only rain we had all weekend lasted about 2 minutes before clearing back into sunshine. Thank you everyone for your attendance and patience as we were not without a few hiccups but thanks to our wonderful chairman, Linda McCartney-Roy, who came on board less than a week ago, things moved fairly smoothly and everyone was where they needed to be when they needed to be there.

Thank you to all the club members, and non-members!, who came out to give us a hand. We had a lovely dinner thanks to the work of Aaron Crown and Dennis Duguay who kept the kitchen running from start to finish. Thank you to our judges for coming out to judge, especially those who stepped in last minute! And most of all, thank you to all the people who came out to run their dogs and support our club. It is much appreciated! We could not do this without the support of each and every one of you.

Congratulations to all the winners!
