President's Message

Today is a beautiful day with temperatures expected to rise to the 80's. With the Winter we had, this beautiful day is certainly a gift.

At our Annual Meeting, we were sad to see Bob Halberg leave the Board of Directors. He always gave so much of himself and more, not only at meetings but at each and every event for several years. Thanks also to Debbie and Dave Latino for serving and sharing your expertise at the meetings.

We welcomed Linda McCartney-Roy, Paul Shirley and Jean Miller to the board and it looks like we are on our way to another great year.

As always we were able to hold a very successful Specialty in March. Special thanks goes to Dottie Boyatzi for Chairing the event and to Jean Miller, who took over the task as a brand new secretary, Thanks also to Peggy Aguiar for providing all of the trophies and gave of her time to make sure everything was presented to perfection.

So sorry that our Hunt Tests had to be cancelled because of poor grounds due to the terrible winter. Thanks to Dennis Duguay our Chairperson and Kim Hatton, our Secretary, for all of the work completed prior to the assigned dates.

I've heard that many other clubs had to make the same decisions. ENEBC had to cancel their Field Trial because the grounds are no longer feasible to run a proper Field Trial. They had over 100 entries.

We ran our Field Trial on the 30th and 31st of May at Flaherty Field in East Windsor, CT. As always it was a lot of fun and we were able to watch many phenomenal dogs at work. Our Chairperson for this event was Linda McCartney-Roy and our Secretary was Peggy Aguiar.

The following weekend we held our Annual Fun Day at Norco. We had several new events and had a lot of fun. We invited the Norco community and opened the day up to neighboring Brittany clubs.

On the 18th of June, we hosted another Specialty in Maine. Our Chairperson for this event was Linda McCartney-Roy and our Secretary was Dottie Boyatzi.

The CNEBC Summer training started on May 13th.

It looks like no grass ever grows under our feet, as we just keep planning and evaluating so many events during the year, with little time to breathe. Thanks to so many of you who are always up front planning these events and to the many of you that we can always count on to be there, to make sure that everything goes off without a hitch.

I would like to thank all of the Officers and the Board of Directors for giving of their time and energy in evaluating every event and for working tirelessly to make sure that our club continues to produce top notch events throughout the year.

Let's keep this spirit moving and have a GREAT year.

Thank you all,

Joan Bevers

The ABC's of Agility – Part III

By Kim Hatton

In Part I, I discussed the “icing on the cake” – agility titles, making new friends, the importance of a coach/instructor that you feel comfortable working with, having a polished performance, clear criteria in training. In Part II, I spoke of the “ingredients” – you, your dog, time to train and trial, and some money to invest in this journey. How you put the ingredients together – **how much you train, how much stamina both you and your dog have, how much drive...these are the** beating, folding, blending, baking aspects that will determine just how wonderful that cake tastes and how elegantly the icing ornaments the top. **You are the chef. Sometimes the eggs may not be fresh, or the oven may not light...but it is up to you to pay attention to the “ingredients” and to follow the “recipe” that works for you and your teammate! And one day, your fellow competitors will surprise you with a cake of your own to celebrate your MACH (it’s tradition!)**

Are you curious about learning more about Brittanys in Agility? Come “try it” at the CNEBC Fun Day on June 7th in Princeton, MA. Come watch the two, Brittanys-only, Agility trials to be held June 18th in conjunction with the American Brittany Club’s Summer Specialty in Cumberland, ME. Check out the Facebook Group: “Brittany Agility Group”. Or shoot me an email, kinship.farm@verizon.net, I’m always happy to talk to folks about this sport. All great ways to learn more about Brittanys who compete in Agility!

New This Year is the New England Walking Hunting Dog Award

** Special Note** we have a “Walking Hunting Dog” stake included in our spring trial. There is now a competition for “Northeast Walking Hunting dog points”. Awards will be given at the end of the year for the dog and owner who amass the most points competing in these stakes during the calendar year (January 1 through December 31).

This is a Non regular stake. Amateur Walking Hunting Dog stake is for dogs 6 months or older; no placements in regular adult AKC stakes for prior 2 years, amateur handlers only. Judgment ceases at flush.

Five Area Clubs who are participating:

- ◆ Central Maine Brittany Club
- ◆ Northern New England Brittany Club
- ◆ Eastern New England Brittany Club
- ◆ Central New England Brittany Club
- ◆ Southern New England Brittany Club

Points: Awarded for any New England Walking Hunting Dog Stake.

1st place 4pts x number of starters

2nd place 3pts x number of starters

3rd place 2pts x number of starters

4th place 1 pt x number of starters

This is easy to track and the results are based on the total number of dogs run. The Field trial secretary will e-mail the stakes results to a designated person who is keeping track of the results.

We are in hopes this will be an all inclusive event for our area club members and give them all a reason to join in the fun at out trials.

To All “CNEBC Members” if you volunteer a full days, or 2 half days help at our event you earn a voucher for a free entry into this springs event.

Please contact the FT Chair or Secretary for help needed at our event this May.

THANK YOU

We would like to thank all the members of CNEBC that were so kind to send a word of cheer to Dick while he was shuffling back and forth between UMASS and Fairlawn. He spent 54 days hospitalized and getting notes and well wishes from old friends saved the day. His only regret is that he missed the Super Bowl. I had to send him to the hospital during the first quarter. I have yet to find a copy of the game for him to see. He is home and trying to get back to where he was but it takes time. Again, thanks to all who remembered Dick in such a nice way.

Dick and Maryellen Johnson

"Bentley"

5/9/2001--3/10/2015

Bentley was an orange and white ball of energy from the moment he entered the world. Because, he was the last puppy from my original Brittany, Mickie Sue, his registered name was "Last Hurrah" He kept the spirit of his Mother alive and he was last direct connection I had to her, so his passing was a double whammy for me.

I am grateful that his suffering was swift. The day before, he ate, played with the other dogs, took his walk into the woods and showed no indication that anything was wrong. It wasn't until 10 o'clock that evening that he refused a treat, which wasn't his style. He was very restless for the rest of the night and at 2:30 the next morning, everything went terribly quiet and he couldn't move except to look at me with his questioning eyes. By 9:30 that same day, Dottie sat with me as Bentley and I just stared into each others eyes and he slipped quietly away.

Bentley was the "Juvenile Hunting Dog" of the year for C.N.E.B.C. in 2003 and "The Show Dog of The Year" in 2003. Several of his off-spring are in the field and doing a wonderful job. Bentley was a gentle soul and the favorite of many. One of my nieces once said, that "if he were an old man, sitting on a park bench, you would sit down beside him and tell him all of your secrets". I particularly missed him on April 28th when Cosette gave birth, as he always sat beside me and when the last puppy was born and the box cleaned, he would step into the whelping box and sit down. Bentley was a joy to have in my life and I will always miss him.

You are not alone, my precious boy, as Burl, your Mom, brothers, sisters and relatives will always be there for you. You will forever hold a special place in my heart. Run in the fields Bentley and hunt to your hearts content until we meet again on the other side.

In Memory of

Ch. Shady Brook's Blast From The Past JH (Angel)

5/6/2004 - 8/4/2015

My beautiful Angel came into this world gasping for breathe and left the same way. At 10:30 PM on May 6, 2004, she was carried in from outside by her mother Em-

ma. I couldn't believe my eyes because she had 6 puppies which were all snug as a bug in the whelping box. She dropped the puppy at my feet and went to the back room. I picked her up and began CPR. On the third try a faint breathe was heard. Towels were heated and the defrosting began. I put a very cold puppy on her mother expecting her to pass, but she survived. When barely 1 1/2 years old, hunters were too close to my home so I took my dogs in, not knowing that Angel had been shot in her left leg. Up until that point she was doing very well in the show ring and then began to be placed last. I took her in for an x-ray, only to discover pellets in her leg, which caused a slight limp. Surgery was out of the question, so I was content to just love Angel and let her be. However, by spring time the limp disappeared so I took her back for another x-ray and the pellets had made their way out of her body. She only needed 7 more points (including her majors) to finish her Championship I entered her in the next upcoming shows and won both days, gaining the 7 points she needed. Nothing stopped my Angel. She was a great mother, avid hunter and the best companion to me. She, along with two other dogs would run in the fields next to my home. I noticed that Angel wasn't the first one in the hunt and lagging behind. I took her to the vet (which I no longer go to) three times, and said "Something is wrong with my Angel". He never suggested testing her and said she would be OK. One evening I was passing out treats. When I got to Angel she didn't take the treat. It was that day that I realized that my beautiful girl couldn't see me I took her to Dr. Backrack who diagnosed her problem and sent me back to the Vet, who did the tests necessary and diagnosed her with full blown Anaplasmosis which is a multi organ failure disease. She adjusted beautifully and could still go out the front door, roam in the woods, walk around the property and dump any garbage can she could find and leave all of its contents on the ground. No matter where I was in the home, she would find me and sit on one of my feet. If I didn't see her, I would go looking, because on occasion, she would get lost and her ears would perk up when she heard my voice and her tail would be set in motion. A year ago, she was attacked by a much larger dog causing damage to her head, ears and neck. Again my girl trudged on.

It wasn't until the end of July that I noticed a difference in her breathing and on the 31st, took her to the Vet who diagnosed her with Laryngeal Paralysis. She took blood work and said that she didn't have much time to live, but felt that with steroids, she would be OK for a few more weeks. So for the next three days the pills did their job as Angel was barking again, jumping on and off of my bed and the couch, jumping in the dog food bins and dumping out the garbage both inside and outside of the house. On the evening of the third day, her breathing changed and I held her in my arms until morning. My dear friend, Annette Stratton came and brought us for her last ride. The vet couldn't believe the change that took place in her in just three short days. Just before the end, my Angel looked straight into my eyes as if to say, thanks Mom, I'm OK. She slipped away peacefully with me by her side. My head was happy that she was suffering no more, but my heart has yet to catch up. She will always be the Angel by my side. Her spirit and drive to live has inspired me to keep on going no matter what.

"Run in the fields with Burl my precious girl and have fun hunting with the other Brittany's that I have already sent to him." Boy, what a commotion there will be when I reach the pearly gates. Perhaps I should send bark collars ahead of me.

Kinship Farm's Brags:

Due to the harsh Winter, agility trials either filled early or were cancelled due to ...that 4-letter word. And then Libby came in season, so she had to be scratched from the hunt tests and other agility trials. So we have only attended four days of agility trials so far this year (much to my chagrin). But we are looking forward to the two American Brittany Club Summer Specialty agility trials on June 18th. Be sure to stop by and cheer!

The following is what Libby and her son, Myles, have been up to this first third of the year.

January 10th -Libby received the designation of Versatile Dog Excellent from the American Brittany Club.

March 9th - Myles had his hips and patellas examined. **Hips received a "Good" from OFA and his patellas, as well as Libby's, passed with flying colors.** Myles will need one more CERF check now that he is 2 years old; but Libby now has a CHIC number having had hips ("Excellent"), eyes and patella clearances.

March 31st -both Libby and Myles passed their Canine Good Citizen test at Pawsitively Obedient in Pembroke.

April 18th -Myles qualified at his first Juniors test at the Central Maine Brittany Club's Hunt Test in Kennebunk, ME.

April 26th -Myles received his second Junior Hunter qualification at the Irish Setter Club of New England's Hunt Test at the Markover Hunting Preserve in Danielson, CT.

New Grand Champion!

GCH CH Millstone Triumphant Come To My World "Ryan".

Ryan finished in style with a 5 point specialty major.

Bon Voyage and best wishes to Dylan Phillips as he departs for his new position in Taiwan! He was long an active member of CNEBC throughout his youth and could be always be counted upon to work willingly and cheerfully on behalf of the Club. He owns Swift River's Bring It On (Sophie) who will certainly miss her hunting and hiking companion.

New Champion!

CH Maple Brook's Some Like It Hot

I am proud to announce that CH Maple Brook's Some Like It Hot (Missy) completed the requirements for her Championship on August 8, 2015 at the Southern Adirondack Dog Club show in Balston Spa, NY.

Missy finished in in style with back to back 4 and 5 point majors.

Missy is out of GCH CH Triumphant's Absolute Evel JH and CH Omega's Red Granite JH. Owners/Handlers: Peggy Aguiar and Joanne Overbaugh. Breeder: Peggy Aguiar

2014 was a good year for Katie. I had decided to enter her into only 3 Hunt Tests, due to other commitments. She had passing scores at: Tartan Gordon Setters Club, 4-27, CNEBC, 6-20 and NNEBC, 9-20. After passing all 3 of the HT's that she entered, a good friend suggested I find a 4th HT, as you never can tell what might happen over the winter. We entered, and passed, the Pointer Associates of NE on 10-5. Thankfully we took that advice as we had such a bad winter, training was almost impossible this spring. Katie also won the DOG/HANDLER award at

CNEBC Members Memorial Field Day, on 12-8-2013, to start this wonderful run of passing 4 out of 4 Hunt Tests during 2014. Katie topped off winning her JH title with a nice limit of pheasants, and 3 woodcock during the bird season in 2014. Katie is a great all around hunter and companion dog.

Lastly, a big thank you to Fran and Dave Phillips, who introduced me to the breeders of this great little dog, Danny and Donna Cordero, Corbritts Brittanys, from Marlboro, NY.

Great News!

Cheyenne JH had her First Litter of Puppies out of GCH DC Triumphant's Absolut' On Ice

Cheyenne JH is out of By Birch Hill's Hobo' X Centerville's Whim. Six awesome puppies, three beautiful females and three handsome males. Mom and puppies doing great !

Special thanks to Linda McCartney for all her help and guidance.
